

In-Person!

# COGNITIVE INTERVIEWING TECHNIQUES THE NEXT LEVEL

Join NW3C and subject matter expert, John Pizzuro, for a 2-day in-person training in Texas!

You will learn how to interview suspects, witnesses, and victims more effectively by observing brain-based deceptive behavior in both face-to-face and virtual communications.

**Dallas, Texas**

October 28 - 29, 2021

Topics in this course include:

- Influence and persuasion with difficult witnesses and suspects
- Interpretation of body language for deceit and truthfulness
- Best practices for testimony and reframing cross-examination
- Neuro-linguistic programming
- Interviewing
- Communicating in the court
- The digital age
