

How to Support DCAC During North Texas Giving Day 2026

MARK YOUR CALENDAR!

Early Giving Opens August 27, 2026 | NTXGD is September 17, 2026

North Texas Giving Day (NTXGD) is a powerful, community-wide giving event that brings people together to support local causes. For DCAC, it's one of our biggest fundraising opportunities of the year—and a chance to share our mission of restoring hope and healing for child abuse victims with an even wider audience.

TIPS FOR FUNDRAISING

- **Set a goal:** Pages with goals tend to raise more.
- **Make a list:** Write down 10–15 people you'll reach out to directly.
- **Thank your donors:** A quick message after they give makes a big difference.
- **Important:** Please only contact people you know personally. Do not cold-call or cold-email individuals or organizations—our Advancement Team is handling all other outreach efforts.
